PROGRAMS

All campers get to participate in programs during Summer Day Camp. Campers that are in Preschool through Kindergarten will get to sample some of our programs as they rotate through the week.

Campers that are First Grade and up will get to choose their programs at the beginning of the week. Our trained staff will lead campers through activities that are inspired by the themes of the week. Each day will be a new activity within that program.

Arts and Crafts | Campers will experience weekly themed activities to tap into their inner artist. Campers will have an opportunity to earn awards in beading, weaving, drawing, and painting.

Landsports | Campers will experience different sports to expand their knowledge on the game, increase their physical activity, and develop teamwork.

STEAM | Campers will participate in activities centered around Science, Technology, Engineering, Arts, and Mathematics.

Drama | Campers will get to create, produce, and perform in their own productions. Learn to act, improv, and create sets and scripts.

Camp Readers | Campers will explore learning through books. Not just reading different works, but completing literacy theme projects, while becoming authors and illustrators.

Archery | Campers will learn the fundamentals and safety of Archery.

Climbing | Campers will learn and expand their skills in Rockwall and Bouldering. They will practice routing paths and growing their climbing abilities, all while focused on safety and best practices. *(Campers must be between 25-310 lbs to participate).*

AWARDS – Our progressive-based awards system at Summer Day Camp is designed to recognize and celebrate the diverse talents, growth, and achievements of our campers throughout their journey with us. As your child engages in our wide range of programs, from archery to arts and crafts, they will have the opportunity to earn awards and special recognitions at our Award Ceremony. Our goal is to inspire and motivate every camper to reach new heights, fostering a positive and encouraging environment where success is celebrated at every turn.
