**YMCA of Greater Michiana**

## TO OUR COMMUNITY,

As we reflect on the past year, I am proud to share with you the impactful work of the YMCA of Greater Michiana in 2023. As a nonprofit organization dedicated to fostering community strength and connection, we remain steadfast in our mission to empower individuals to reach their fullest potential and to cultivate meaningful relationships with one another.

Throughout 2023, our commitment to inclusivity and accessibility remained unwavering. We continued to extend membership and program scholarships to ensure that everyone, regardless of their financial circumstances, could participate in our offerings. This commitment reflects our belief that everyone deserves the opportunity to be an active member of their community.

In working with our dedicated partners, we expanded our reach to serve youth across the region through a diverse array of programs. From summer day camps and water safety outreach to sports leagues and after-school programs, we provided opportunities for young people to learn, grow, and thrive.

Our commitment to promoting health and wellness remained at the forefront of our efforts. We offered a wide range of fitness classes, sports activities, and community events designed to enhance physical well-being, social responsibility, and youth development.

At YMCA Camp Eberhart, we had a record number of campers and continued to create unforgettable experiences. The joy and excitement shared by campers and staff served as a testament to the transformative power of the camp experience.

Throughout the year, we successfully hosted a variety of signature events, including the Race for YMCA, Niles-Buchanan YMCA Thanksgiving Day Run, and LIVESTRONG® at the YMCA Golf Classic. These events not only raised vital funds to support our programs but also brought our community together in support of important causes.

Collaboration with community partners remained instrumental in our efforts to promote health and wellness initiatives. From the Healthy Corner Store Initiative to Corporate Wellness programs, we leveraged our partnerships to maximize our impact and reach a broader audience.

As we embark on the year ahead, I am filled with gratitude for the unwavering support of our members, volunteers, staff, and partners. Together, we will continue to make a difference in the lives of those we serve and the communities we call home.

Thank you for your continued support.

Mark D. Weber

# A LOOK AT 2023

## 2021-2024 Strategic Plan Accomplishments in 2023

### YOUTH DEVELOPMENT

We provided our youth and teens with programs that strengthen social responsibility and character values. We supported before and afterschool care, preschool, summer camps, holiday camps, sports leagues, swim teams/lessons, kids night out, nutrition and physical education.

### HEALTHY LIVING

We aligned with local community needs to provide support for a healthier community through programs that address cancer survivors, food insecurity, CPR/First Aid, nutrition and physical education. We stay committed to building a healthy environment with our local partners.

### OPERATIONAL & FINANCIAL

Each year we establish a fund development plan encompassing annual, capital, and fundraising event goals to support the Y's programs, financial scholarships, and capital needs. In 2023, contribution and fundraising revenue represented almost 30% of the Y's total revenue.

# EVERYONE »»» has a ««« STORY

To tell the story of the YMCA of Greater Michiana, we must also tell the stories of our members and those impacted by the work we do. Over the next few pages, we invite you to read Y stories we collected from members in 2023.

## Gratitude Shines a Light on Goodness

**N**ancy Kodis is a frequent flyer in the Gentle Yoga class at the Benton Harbor-St. Joseph YMCA instructed by Kathy Zerler. Kathy challenged her yogis to think of a word to focus on in 2024.

“I thought about this challenge for some time and settled on the word *gratitude* and let Kathy know in the next class,” said Nancy. “If you know Kathy, then you know she remembered my word in the next class and she came with a gift wrapped up for me - *The Little Book of Gratitude*.” This book discusses the benefits of gratitude and teaches easy techniques to foster gratitude everyday.

“This act of kindness didn’t come as a surprise to me because that’s just who Kathy is,” she said. One excerpt from the book says “Gratitude shines light on goodness.”

“Kathy Zerler exemplifies goodness to each and everyone of her yoga students. I want to shine a light on Kathy because she shines so brightly at the Y.”

# “CHANGING LIVES FOR THE BETTER”

“My son, Henry, was in the Young Explorers Preschool program in Northside Child Development Center from August 2021 until June 2023. The Henry we know today is not the same Henry we knew in August 2021. The incredible change we have witnessed in Henry can be largely contributed to the amazing and dedicated staff at Northside Child Development Center.

Prior to Henry joining the Young Explorers Preschool, he rarely socialized with children his age. It was immediately apparent that Henry would be going through an intense learning curve. On more than one occasion, we received phone calls to come pick him up or to talk with him to calm him down. He had incidents where he would hit, bite, or kick his teachers (never other children, thankfully). His speech was delayed, his potty training was delayed, and his social emotional skills needed extra help. It was a very stressful time for our family, as we didn't know if Henry would be able to continue coming to the Young Explorers Preschool.

The staff at Northside Development Center worked tirelessly with Henry for two years. In these two years, they did not give up on our child. They never discriminated against him, never stopped looking for solutions and strategies that worked with him, and never made him feel less than loved. They acknowledged that he needed speech services, so he began receiving those immediately. Staff continued helping us potty train Henry, even when it seemed he would be in diapers his whole life! Everyone in the school knew Henry and loved him unconditionally.

I'm happy to report that in the two years that he was at Northside Child Development Center, Henry learned empathy for his fellow students. He learned to share and take turns. We have gone from not understanding most of his words, to understanding almost all of them. He makes friends easily and has several “best friends”. We were invited to birthday parties and his own 5th birthday party had a huge turnout. Yes, he's even potty trained now! Staff members who have been here from the beginning will tell you that he has grown so much and is not the same kid from two years ago. If you met Henry today, you would not believe the stories about him from when he was 3 years old. One thing that hasn't changed in three years is the warm reception he gets from all the staff at Northside. When we walk down the hallway, there is always a chorus of “Hi Henry B!” from any staff member that crosses our path. You may think that they are happy to see him now that he is better behaved, but the truth is that they always greeted him this way, even on days that I had to pick him up early for hitting them.

I get choked up telling people this story because I couldn't be more grateful to the staff at Northside. All parents think their child is special, but this program has shown me that others think Henry is too. Without the support of the staff here, Henry would not be where he is now. He is getting ready to go to Young 5's this fall, and I am not worried about him at all! Well, maybe just the normal amount. Thank you, Young Explorers Preschool, for changing our lives for the better!”  
– Carla Belanger, Northside Child Development Center

# FROM TRAUMA TO TRIUMPH.

**D**ebra Posey's journey to becoming a dedicated member of the YMCA is nothing short of inspiring, marked by resilience, determination, and a supportive community. Her Y story is a testament to her strength in overcoming adversity and finding a path towards wellness and vitality.

In 2021, Debra faced a significant health crisis when she experienced a heart attack, discovering that two of her arteries were severely blocked, with one at 100% and the other at 90%. This event could have been debilitating, but Debra's spirit refused to be defeated. Despite the physical and emotional toll of her condition, she embarked on a journey of recovery and transformation.

The turning point came in 2022 when Debra underwent a stent placement procedure, only to suffer a cardiac arrest during recovery. This harrowing experience could have deterred many, but for Debra, it served as a wake-up call. Determined to reclaim control of her health and her life, she resolved to make meaningful changes.

In January 2023, Debra made a commitment to herself to prioritize her well-being. She began attending the YMCA regularly, even incorporating visits into her lunch breaks. Alongside her newfound dedication to exercise, she embraced a healthier diet, recognizing the importance of holistic wellness.

What truly sets Debra's journey apart is the community she found at the YMCA. Despite initially being reserved, she opened herself up to the staff and fellow members, finding a supportive network of individuals who encouraged and inspired her every step of the way. Through conversations and connections, Debra discovered a sense of belonging and camaraderie that fueled her motivation to continue pushing forward.

Today, Debra stands as a shining example of triumph over adversity. With her commitment to fitness and well-being, she has shed pounds and regained her vitality. Her journey serves as a reminder of the transformative power of resilience, community, and the unwavering determination to thrive, no matter the obstacles. Debra's journey from trauma to triumph is a testament to the life-changing impact of the YMCA and the boundless potential within each of us to rewrite our stories for the better.

The Y has helped my husband and I so much. We both have had cancer and the Y has helped us emotionally and physically. We are elderly, but always feel like we have accomplished a goal when we are done with our exercises. My husband uses the machines and I walk the magic mile. It clears our minds, helps our bodies and gives us a sense of well being. Plus we get to interact with other people, even if it is just a smile. The Y makes us feel alive. Thank you Y for being there for all people.

- Terry Scheibelhut, Member, YMCA O'Brien Center

My daughter was safe to be loved as herself and felt like her voice meant something. She was confident enough to guide younger campers and she was so moved during the closing Camp ceremony she sobbed. The whole time. And when I picked her up too. It meant so much to her. She felt like she was part of something special. And that makes a huge impact on kids.

- Parent of Camper, YMCA Camp Eberhart

I enjoy running on the track to train for my next marathon. When I have trained for a triathlon, swimming in the pool helps me to reach my goal. In the winter, biking inside the YMCA, keeps me fit to bike in the summer with my friends and also do triathlons. I enjoy seeing my friends at the YMCA and the staff is also very friendly!

- Theresa Pipher, Member, Niles-Buchanan YMCA

Being diagnosed with cancer rocks you to your core and changes your life. LIVESTRONG® is so important because it gives you a sense of community and accountability. Even if I were to miss a class, I would think about my classmates or even my instructors. It's very motivating to show up and get that sense of camaraderie and support. It's hard to say, but I don't think I would be where I'm at today without the class.

-Allison Haynes, Breast Cancer Survivor & LIVESTRONG® Participant, Benton Harbor-St. Joseph YMCA
