SUPPORT DURING COVID-19 PANDEMIC

CORONAVIRUS WHAT DO I DO?

*Stay Home
Keep washing your hands
If symptoms present call
the hotline first
574-335-8560*

REACH OUT

Taking care of your mental health is important during times of distance. If you find yourself struggling with anxiety and sadness, please reach out! If you have access to your employer sponsored Employee Assistance Program EAP, use it! It is confidential and provides a variety of resources including financial, parenting and care taking support.

Contact your primary care physician if you/family member needs additional help.

COMMUNITY RESOURCES

You may find yourself in a situation of lost employment due to results of the pandemic. You may have needs to support daily living, which will require additional resources. This can be a new experience and navigating the services needed to survive this time can be overwhelming. Provided here is a reference, not an exhaustive list, of what our community can provide. The hotline 574-335-8560, provides triage for testing locations and also provides choice 3 in the prompt, which connects you to a Community Health Navigator who can help guide you during this time. The United Way provides extensive resources for our region. Please access this by dialing 211 or checking their website at <http://211.org/services/covid19>.
